Timing of Activities:

- The experiences run every 1.5 hours at: 11:30 am, 1:00 pm, 2:30 pm, and 4:00 pm.
- Guests should plan to be at each winery for 1 hour, then will have 30 minutes to make it to their next winery.
- The harvest experience at each winery will last 45 - 50 minutes, which will leave 10-15 minutes for guests to finish wine, food, and make any wine purchases.
- Some guests will not need the entire 30 minutes to travel to their next winery, so they will have more time to finish their wine, food, and relax before departing.
